

## NEW M.E. EMPLOYEES CREDIT UNION BUILDING

Stop by to see the progress we have made on the new credit union building. This project is bittersweet for us because while we are excited to have a new space, we will be sad to see our old building go. Our current building has served us well for 44 years. Just please remember that while our outside appearance is changing, the service and family environment inside will always stay the same.

Because of the tight quarters on the lot in which our new building is being built and our old building still resides, the credit union may need to close for a few days in late September and early October to complete the demolition of the old credit union and complete the new parking lot.

**Tentatively, the dates in which we are considering closing are Monday, September 24<sup>th</sup> & Tuesday, September 25<sup>th</sup>, as well as Monday, October 8<sup>th</sup> & Tuesday, October 9<sup>th</sup>.** We picked those days because we found those to have the least amount of negative impact to our members as they are not pay days nor are they the end or beginning of the month. As a matter of fact, Monday, October 8<sup>th</sup> is Columbus Day and while we normally are open, the Federal Reserve is closed as well as most financial institutions.
